OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2014-41

TO: LaGov HCM Paid Agency Human Resources
and Employee Administration Staff

FROM: Andrea P. Hubbard
Director

SUBJECT: State Combined Charitable Campaign (SCCC) Deductions

Act 501 was passed during the 2012 regular Legislative session to allow payroll deductions to certain qualified non-profit community health and human services charities. These deductions are to be coordinated and payable through the Louisiana Association of United Ways (LAUW), the Principal Combined Fundraising Organization (PCFO). As a result of this legislation, the Office of State Uniform Payroll (OSUP) published a rule in the December 20, 2013 edition of the State Register to establish the minimum qualifications and the application process for charitable organizations to become a part of the annual SCCC.

The SCCC will replace the annual United Way campaigns that were conducted by agencies in the past. The SCCC is very similar to a United Way campaign but will now be coordinated through the LAUW. Payroll deductions will only be allowed for those charitable organizations who completed and submitted an application to OSUP and were approved to be included in the SCCC. **Agencies will be contacted in the near future to begin the fall campaign for the deductions that will start in 2015.**

Future memoranda will be issued regarding the campaign as more information is developed. If you have any questions, please contact a member of the OSUP Benefits and Financial Administration Unit by email at _doa-osup-bfa@la.gov or by phone at (225):
